1. **Financial update/Treasurer's Report:** Current cash on hand total is \$15183.72. Royal Family fundraiser donations are \$3370. Paid all upcoming bills/paychecks due March 15.
2. **RNR update:**
 - a. Angie has created a master spreadsheet and shared with Michael, Ken, Atticus. What has been done is green, work still to be done is yellow. Atticus has reached out to Kenny Holl to help with editing. A suggestion was made for students to help with editing. Angie will talk to Atticus more on Thursday about this suggestion.
 - b. Discussion around in-person rehearsal or performance activities now that school is starting back in person and athletics are allowed. Angie prefers to wait for a few more weeks at the school before approaching administration about meeting together to show RNR and present some of the ideas we have proposed, including showing at local restaurant and "drive-in" cast party showing of RnR.
 - c. Kirsten will put out more promotions in March and April, followed by promo video closer to the date of RnR.
3. **Thespian news:**
 - a. Scholarship applications have been released. When we see how many people apply we can figure out how much to give each person.
 - b. Improv night is Friday, March 12
4. **Summer Camp:** Unclear if we can hold Summer Camp this year; we are not optimistic. We agreed that we would start a wait list. We will have an answer in June.
5. **SP Cares/Thespian Induction:** Angie met with officers and thespians. They put a questionnaire about interest. Results were that thespians were interested in in-person, not a virtual event. Angie will set up a meeting with Bathras week of March 29th.
6. **Fundraisers:**
 - a. Little Carmines- Thursday, March 11
 - b. Chick fil A – Friday, March 25

- c. Mod Pizza – Wednesday, April 14.
- d. We received approx. \$230 from Chipotle.
- e. RNR memorabilia auction: will postpone until either end of spring when we do a RNR or in the fall.
