1. Financial update/Treasurer's Report: current cash on hand total is \$5845.72.
2. Fundraiser - mums sale: estimated profit from mums sale is \$1500. Pickup of pre-purchased mums will be outside on the patio. Considering a poinsettia sale in November/December with an online order form.
3. Insurance update: the policy doesn't currently cover 1099 employees (like Alex M.) Further research is being done for insurance coverage.
4. COVID restrictions: Angie is checking on the latest AACPS policies/SPHS policies. Currently the capacity for the auditorium is 60%. Potential policies - there may be mandatory spacing between seated attendees, we may not use ushers, masking and/or seating restrictions will be announced at the start of the show with house rules, there may be a vaccination requirement or weekly testing for RNR.

5. Fall Musical - Freaky Friday update: we have signed contracts from almost all of the parents except a few of the band members. Angie mentioned that there may be tech week meal refunds depending on COVID restrictions - she is meeting with Mr. Bathras. Preselling of tickets won't be permitted this year except for cast/band/tech members. These families are encouraged to purchase any tickets they may need in the presale in case a cap is placed on attendance. Seeking parity with sporting events was discussed and Angie will be discussing with Mr. Bathras. Band and tech crew will wear all black. The posters will have dates and statement of general admission with tickets being sold at the door. The hype video was discussed - perhaps a Mr. Bathras/Angie switch?
6. One Acts: applications for student leaders will be posted on the website and due in a few weeks.
7. SP Cares: the fall show may be rescheduled for later in 2021 but most likely won't happen until spring.
8. Fundraising for SPAN: collection buckets will be out at the Improv show. Gina will take the Thespian board members to SPAN. a QR code for SPAN donations will be added to the Freaky Friday poster.
9. Cappies - will not be happening this year due to COVID restrictions
