1. Financial update/Treasurer's Report: current cash on hand total is \$22143.15.
2. Fall Musical - Freaky Friday update: the show went well and brought in some needed funds. Digital copies of the show have been requested - Angie is checking with the production company.
3. One Acts: Atticus is looking for judges. Costumes - students may go into the costume closet with Angie supervising. Tickets for One Acts will be \$10.
4. RNR XXXIII: Vocal auditions are done and dance auditions finish this week. Band auditions are also this week. Changes to the traditional programming may be made depending on talent of the students and how many will sing and/or dance. Student leaders will be announced January 2 and the RNR parent meeting is Jan 3 - most likely virtual. There will be two big rehearsals per number and backups will rehearse on Sundays. There are opportunities for tech crew, band, and hair/makeup. Gina listed the mandatory costume pieces on the contract for this year which include: tan leotards, dance shorts, beige character shoes, tights, and black jazz shoes for girls, and black dress shoes and jeans for the boys.
5. COVID restrictions: we haven't received definitive direction yet for the rest of the season. Sports players are being tested and can sell concessions, we are hoping to get parity.
