

Falcon Drama Boosters Meeting

2.3.2020

Black Box Theatre

7:00pm

In attendance:

President Jenn Allgair

Vice President Kirsten Mummert

Corresponding Secretary Stephanie Wright

Recording Secretary Laura Ivey

Treasurer Edie McGee

Member at Large Pam Elser

Faculty Advisor Angela Germanos

Advisor Diane Heath

Treasurer's Report: Edie told the group about our checking account hack. We have been in a state of flux, but about \$5K in checking and \$5,800 in savings. We don't even have any ticket money yet. This is just cast fees.

Current Event Update: Jenn Allgair relayed that charity money so far will go to Hope for All. Over \$5K. Hope for All will be there for opening night. The charity for spring for Rock and Roll will be Ellie's Bus. Thespians are working on a video for that.

Upcoming Events: Cappies Gala will be the Sunday of Memorial Day Weekend. Cappies team has attended two shows and had two reviews published.

Improv Night is now February 21.

There WILL be a meeting on March 2, which is also public pickup night for tickets. Meeting will be 6:15 for general meeting since ticket pickup is at 7pm.

RNR

Chaperones: Reminder that you have to do a committee as well as two chaperone shifts. There are 23 shifts left. Barb Kalafos brought a paper copy to the meeting in case you are not on Facebook. We have several medical shifts open.

Costumes: The Costume Parade is Sunday, February 9, 1p-5p. Please have all nude leotards, tights, compression shorts, and other items as requested. Very important to have the appropriate undergarments.

Tickets: Pickup days: February 26 for RNR Parents, and ticket requests need to be in by February 15. If there are two parents picking up for different households, please send a note authorizing pickup. March 2 ticket pickup for the public. Ticket sales have been insane. Student

and faculty sales were brisk. Our starting inventory for public sales was smaller than usual due to better with advance sales.

Hospitality: Reminder to check the schedule for what your student needs to bring. List was in the packet and is also on the site.

Show Lunch: Sunday, March 8. Sign-up genius is coming from Elaine Bachman. There will be around 160 people. Last year the budget was \$1,000. Need to revisit the budget for this year.

Tech Week Meals: Stephanie Wright will send another email to remind people that they can sign up for tech meals if they have changed their mind. No need to go in and modify their contract. Just add on with a separate link.

Other RNR info from Ms. Germanos: Apologies if the excel is confusing to people. Annabelle has been summarizing rehearsals week by week. Ms. G has now been updating the Google calendar. Please keep up everyone's health and grades. Please have your students dress appropriately for the weather in order to stay healthy. There may be time for re-certification of grades if grades aren't good, but maybe not, so please stay eligible with grades. Also, attendance is important, so they can't be late to school. Talk to your Seniors and make sure they have bios and pictures in, wallet senior pictures are usually what people turn in.

Next Meeting: March 2, 6:15pm prior to ticket pickup at 7pm.
